MARY CARIOLA CHILDREN'S CENTER  
Report to the Community

Dear Friends,

*Every child has the right to receive many helping hands—  
Hands that reach out to encourage every level of development,  
Hands that reach around to comfort in times of frustration,  
Hands that struggle to help find the paths of growth, and  
Hands that hold back when it is time to let go.*

These words appeared in our Agency's annual report more than 40 years ago. They epitomize the philosophy of our founder, Mary Cariola.

This is a year of celebration for all of those who have been a part of our journey. Not unlike the journey of a family with a child with special needs, ours has been marked with beautiful discoveries and unforeseen challenges.

It is difficult today to imagine the numerous obstacles outlined in another annual report from years ago . . . "The early difficulties were almost insurmountable. Trained personnel were either not interested or not available. The community was not aware of the issue. Parents of children with special needs were told to institutionalize them . . . The Agency's beginning had no precedent."

Our founders overcame those odds to establish a local treasure and a national model. We pay tribute to them in this, our 60th year of service.

And we thank those who have provided help and encouragement along the way. *Your helping hands* have made a difference in the life of a child.
