# 2022 Caring for a Cause GOLF CLASSIC to benefit

*Transforming lives of people with disabilities*

**MONDAY, AUGUST 15, 2022**

*"Do good for others.*

*It will come back to you in unexpected ways."*

Hello Friends,

The last two years have certainly reminded us what is important, and taught us the resiliency of the human spirit. We hope everyone has been able to return to their "normal" life as much as possible.

It brings us great happiness to announce that we will be hosting the 8th Caring for a Cause Golf Classic to benefit the Mary Cariola Center on Monday, August 15, 2022!!

As many of you know, our friends Sally and Dave Quist inspired us to organize this event as a way to give back to an Agency that gave so much to them through the work they did with their son Todd. Since it's humble beginning in 2015, this event has donated more than \$180,000 to the Agency. Though Todd is no longer with us, the work Mary Cariola continues to do in our community compelled us to continue the event posthumously in Todd's spirit.

Introduced in 2021, we will again be offering an "early bird" tee time as well as the normal noon shotgun start each using the scramble format. Both tee times offer lunch, mulligans, 50-50 and raffle drawings, silent auction, beverages on the course, and a cocktail hour with appetizers and a cash bar. Our early bird golfers will also have an option for breakfast sandwiches and coffee on the course.

So many of you have been with us since the beginning, and we cannot even begin to thank you for your support and friendship...every year we are amazed at how quickly our returning teams sign up! To our first timers, we say welcome and thank you for your support...we look forward to getting to know you!

Whether you are a returning or new golfer, we thank you so very much for helping to support the amazing Mary Cariola Center organization that has touched the lives of so many in our community. This independent, non-profit agency faces a constant struggle to fund the unique and highly successful programs they implement and support. By participating in this event, you help offset some of the costs of programs and equipment that are not covered by local or state funds!! So thank you for helping us make a difference for the Mary Cariola Center.

*Mike*

*Thank You.*
